Re: Strategicconsultant.org

I am writing to thank you for the e-mails I have been receiving from Strategicconsultant.org. They arrive often, sometimes several times a week as appropriate, are quite informative, and keep me current, as to the progress the company has been making with CCOP, the Partnerships, and other related information I feel is quite valuable to me, concerning any financial transactions. By following the directions and suggestions of the updates, I was able to pick up most of my shares in CCOP at near bottom levels. I look forward to future dealings with these gentlemen.
